

## COMPANY PROFILE

Formed in 1968, Krishan Murari Gupta & Sons (KMGS) started with the business of civil maintenance and construction in Delhi PWD, U.P Noida Authority. & CPWD. KMGS entered into the field of road marking in the year 1999.

In the quest of expansion KMGS entered into the business of traffic signboards and road safety products in the year 2002 under the Group Company “KMGS Road Signs Pvt. Ltd.” Since then KMGS has grown up to become the market leader for providing complete road safety solutions.

KMGS, specialist in Thermoplastic road marking is a trusted name for Quality and Performance. We represent various world-class suppliers from India and Abroad. We are the **Authorized Applicators & Distributors** for **KATALINE Infra Products** in India for Thermoplastic Road Marking materials & Water Base Paints. **VELLUVINE BV Holland** for their Two Component Cold Plastic materials. **SWARCO (Austria)** for their special moisture proof coated Drop on Glass Beads. We are also the **Authorized Converters** for **3M India Ltd. (USA)** for their Traffic Safety Systems Division (for Retro Reflective Sheeting & Road Safety products) and **Authorized Distributors** for **SWAREFLEX (Austria)** for their Glass Element Reflector based road safety products such as Metal and ABS Raised Pavement Markers/ Road Studs, Crash Barrier Reflectors, Lane Dividers etc.

In a rapidly changing market we keep pace with new Developments and Innovations in our products portfolio to offer materials suitable for conventional and specialized application methods of International standards.

To enter into the Newest Technologies and Diversifying into other streams, KMGS has recently tied up with **LEESON Polurethanes (UK)** for their Aggregate based Pavement Solutions for special Coloured & Anti Skid High Friction Surfacing.

Our Team of Technical Experts and Specialized Equipments ensure Total Quality Assurance and Performance to the complete satisfaction of our valued customers all over India.

KMGS is committed to working closely with their valued clients towards achieving the standards of high performance that are increasingly being specified by MORTH, IRC, BS, EN, AASHTO, ASTM, NHAI and other respective authorities.
